ANY SPECIAL SKILLS/TRADE YOU HAVE (IE. PAINTING, PLUMBING, CARPENTRY, ETC):

I hereby apply for membership in the Monument Beach Sportsman's Club (MBSC).

An Initiation Fee of \$200.00 and Yearly Dues of \$150.00 are payable in full before membership is granted. I understand that Dues are payable before April 1st of each year and that the Application Procedure is as follows:

The Applicant and Sponsor will appear before the Membership Committee which meets on the 3rd Wednesday of each month. If approved by the Membership Committee, they shall appear before the Board of Directors (BOD) for the first reading of the application. The BOD may approve, hold, or deny any application. If denied the first time, a six (6) month waiting period is required before reapplying. If denied a second time a waiting period of 1 year is required. An Applicant cannot reapply after a third denial. Once an application is approved by the BOD it will be read at the next General Assembly meeting and voted upon at the following General Assembly meeting. The Applicant must be present at both of these General Assembly meetings to be recognized by the Membership. At the General Assembly meeting at which the application is read, the Applicant will be asked to give a short dissertation as to who he/she is and why he/she wants to become a member of MBSC.

Since MBSC is a Sportsman's Club founded on work ethic, sportsmanship, and a strong spirit of volunteerism, upon initial acceptance into the club Provisional Members must satisfy the club's Internship Program requirements which consists of 12 hours of volunteer work within the club and must attend (5) monthly General Assembly meetings during their first year. Provisional Members will then be voted on by the BOD on their one year anniversary date to become Members in Good Standing providing all internship requirements have been met. We understand there may be individuals with limited capabilities due to a variety of circumstances so we would like to ensure our newest members that this will be taken into account on a fair and equitable basis. The MBSC welcomes those who want to assist the club and we do not tolerate discrimination. We hope that our new members will enjoy the Internship Program, will take advantage of what it has to offer, and that you will continue this spirit of volunteerism and sportsmanship after completion of the program because the needs of the MBSC don't stop there. The club is currently over (300) members strong, has approximately 65 acres of grounds, 4 main facilities, and various indoor and outdoor shooting ranges. There is always something requiring attention. We look forward to getting to know you, our newest members, and hope you will enjoy getting to know us and what the club stands for.

(OVER)

The Board of Directors by a vote of 2/3 of the directors thereof, shall have the power to forfeit the membership of any member of the MBSC for any improper or unsafe conduct, for failure to complete the Internship Program, or for non-payment of dues.

I certify that I am a citizen or legal resident of the United States of America, and that I am not a member of any organization or group which has any part of its program attempting to overthrow the Government of the United States or any of its political subdivisions by force or violence; that I have never been convicted of a crime of violence; and, if admitted to membership, I will endeavor to fulfill the obligations of good sportsmanship and good citizenship.

I believe in the aims and purposes of the Monument Beach Sportsman's Club, Inc. as specified in the MBSC Bylaws and adhere to the Principles of the National Rifle Association of America.

I have read both sides of this application and understand that as part of my acceptance into the Monument Beach Sportsman's Club, I am required to complete the New Member Internship Program as outlined above.
